

MCC Junior Golf Academy

Welcome to the 2021 Maplecrest Junior Golf Academy. The Junior Golf Camp this season will consist of instruction provided by Carl and myself. We will be providing instruction for approximately 60 minutes on the range and/or putting green. Immediately following instruction, the Juniors will be participating in the MCC Operation 36.

The instruction will cover the foundations of the golf swing, body mechanics and matchups, and proper swing sequences. We will start with putting on Monday and work our way backwards from the green to the tee. Our goal is to provide a consistent and cognizant approach to playing golf. We feel it is important to have on-course time for the Juniors, which will immediately follow the instruction. The Junior Golf Camp will run from Monday, July 19th-Friday, July 23rd. We will be dividing the Juniors into 3 age groups: 5-7, 8-10, 11-15. Our final Junior day will be July 26th; we will be hosting a friendly competition for Drive, Chip, and Putt with lunch and a small ceremony following.

The MCC Operation 36 is an initiative based around scoring. The goal is to play 9 holes from a set designated distance and make a score of 4 or less per hole; the end result is a 36. Each successful 'round' of 36 or better, the course lengthens. By the end of MCC Operation 36, the player should be shooting 36 or better from the back tees.

Drinks and snacks will be provided each day along with an Academy T-Shirt, golf balls, and contest prizes.....and most importantly tons of fun!

Please see the attached form to enroll your child(ren) for the 2021 MCC Junior Golf Camp . We look forward to a fun and exciting camp with your child(ren)!

Sincerely,

Justin Stevens
