## MCC Junior Golf Program

Head Golf Professional: Carl Layher

Assistant Golf Professional: Spencer Mortola

Golf Shop Manager: Sophie Hollinger

**Dates:** Monday through Thursday  
July 6th - July 9th

**Times:** Instruction will begin at 8:00am and all Juniors will play each day following instruction.

**Fees:** \$100 per child

**Age Groups:** 5-7, 8-10, 11-15

**Format:** MCC Operation 36 will continue. Students will learn how to score, meet goals, and progress their skills. Please be on the lookout for the accompanying letter and sign up sheet.

The MCC Operation 36 is an initiative based around scoring. The goal is to play 9 holes from a set designated distance and make a score of 4 or less per hole; the end result is a 36. Each successful 'round' of 36 or better, the course lengthens. By the end of MCC Operation 36, the player should be shooting 36 or better from the back tees.

Depending upon the size of the junior group, parents or guardians are needed to assist in counting each week. If you are the parent of a child in the 5-7 age range, it is especially needed..

All players or counters are asked to return signed scorecards to the Professional Staff upon completion of play.
